# ENERGY SAVING AIR FILTRATION & MOISTURE SEPARATION

## ■ GO Series

Compressed  
Air Filters  
(12 scfm to 1600 scfm)

## ■ F Series

High Capacity Flanged  
Compressed Air  
Filters (1500 scfm to  
17700 scfm)

## ■ ELM Series

High Efficiency Mist  
Eliminating Air Filters  
(150 scfm to  
12000 scfm)

## ■ GWS Series

In-line  
Water Separators  
(15 scfm to 1300 scfm)

## ■ FWS Series

Flanged Water  
Separators  
(1500 scfm to 8300 scfm )

## ■ HG/HGH Series

High Pressure  
Compressed  
Air Filters and  
Separators  
HG Series (725 psi) /  
HGH Series (5075 psi)
